49.90M / 163'09"

## SPECIFICATION

*Designed by Ed Dubois, MOSAIQUE was built on Proteksan-Turquoise's extremely successful 50m (164') platform. She has excellent interior volume and layout with six large staterooms and excellent outside deck spaces. She has been constantly upgraded technically and cosmetically including the rebuild of her Caterpillar machinery in 2022 when she completed her 20-year class surveys. Her interior was also completely redecorated and is now in a delightful modern light and airy "Hamptons Beach" house style. She has proven herself in long range cruising thanks to her 4,500 nm range at 14 knots.*

## OVERVIEW

Designed by the esteemed Dubois Naval Architects, MOSAIQUE is a sophisticated and stylish luxury yacht that manages to maintain a sense of intimacy despite her expansive decks and luxurious suites. Her thoughtful and creative design ensures that every space feels personal and inviting.

Her lovely interior is light, bright and airy and in the “Hamptons Beach House” style.

The yacht’s main deck is ideal for relaxation, featuring a spacious salon leading to a formal dining room for 12 guests that opens onto an elegant foyer. These areas are adorned with a refined palette of modern and classic tones, neutral carpets, and soft furnishings. For an alternative retreat, the upper deck saloon offers a charming, equally serene space.

On the main deck, the magnificent full beam master stateroom sets a high standard for the five additional staterooms. The master stateroom includes a private owner’s lounge/office and an opulent bathroom finished in onyx and marble. There is a light and airy VIP stateroom on the port side of the main deck and four en suite staterooms below deck. Each stateroom is equipped with a fully integrated audio-visual system, providing guests with a wealth of entertainment options.

A standout feature of MOSAIQUE is her sundeck, where a whirlpool is surrounded by sun pads and loungers. This area also features a bar and two tables for informal alfresco dining, offering the perfect setting to enjoy fine cuisine and service in complete privacy. Guests can also take advantage of the gym equipment, which includes a treadmill, recumbent bike, training bench, and weights, all sheltered by a Bimini shade for added comfort.

For alfresco dining, the bridge deck aft offers seating for up to 16 guests around a stunning oval teak table. The table’s removable leaves allow for a more intimate dining experience when desired.

MOSAIQUE is equipped with zero speed stabilizers for a smooth and comfortable experience both underway and at anchor.

## ACCOMMODATIONS

MOSAIQUE accommodates up to 12 guests in 6 staterooms, including a full beam master stateroom and a VIP stateroom on the main deck, as well as four additional staterooms on the lower deck.

The full beam master stateroom on the main deck features a king-sized bed, a separate seating area, and a luxurious bathroom with a whirlpool tub, steam shower, and double vanity, all elegantly decorated in onyx and marble.

The VIP stateroom on the main deck includes a large double bed and an en suite bathroom with a double vanity.

On the lower deck, there are three double staterooms, each with an en suite bathroom, and one twin stateroom with an en suite bathroom.
